

## *Caffeine and Octane*

---

We have had complaints about excessive noise and reckless driving at our event

Most people attend in the spirit of the event to meet and enjoy each others cars and company.

We hire Police Officers for each event. They have tried to be lenient and have a good time along with us.

Our rules are simple:

- No Engine Reving. You are disturbing the peace.
- No displays of speed. You are driving recklessly.
- No burnouts. Disturbing the peace and driving recklessly
- No Littering. You are in violation of the law.

### ***NOTICE:***

***The Police Officers attending this event have been instructed to have ZERO TOLERANCE. If you violate the rules or can't act responsibly, you will be cited by the Police and escorted off the property.***

We're sorry that it had to come to this, but some people just don't know how to act appropriately.

If you see someone creating a disturbance, Go find a police Officer. We are not guaranteed a place to meet. We are guests at each venue. Please respect the venue and the neighborhood. You wouldn't want this kind of disturbance in your neighborhood on Sunday morning. We all enjoy C&O. Let's please keep this thing going. Don't let some idiots ruin it for the rest of us.

Thank you for your cooperation.
