

2005

Infiniti G35 Base

V6 - 3.5L 3498cc GAS MFI VQ35DE - 4 valve DOHC

VIN: JNKCV54E75M426557

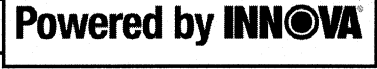

Mileage: 103,000

Emissions Status: Red

Diagnostic Trouble Codes are present. The vehicle will likely NOT PASS an OBD-based Emissions Test. In addition, your vehicle could have reduced fuel economy. The vehicle should be serviced immediately.

DIAGNOSTIC TROUBLE CODES (DTCs)

Replace Mass Air Flow (MAF) Sensor

Primary DTC **Mass Air Flow Sensor Circuit Bank 1**

P0102

Code P0102 indicates that the Mass or Volume Air Flow sensor electrical circuit input signal had low voltage for a predetermined period of time.

Suggested Parts: 1

Mass Air Flow Sensor/Meter The mass air flow (MAF) sensor measures the mass flow rate of air entering the engine and communicates this information to the vehicle's electronic control unit (ECU) to calculate appropriate engine performance adjustments in the air-fuel ratio needed for efficient combustion.

ADDITIONAL DIAGNOSTIC TROUBLE CODES (DTCs)

P0113 - Intake Air Temperature Sensor/Circuit Bank 1	Stored
P0102 - Mass Air Flow Sensor Circuit Bank 1	Pending
P0113 - Intake Air Temperature Sensor/Circuit Bank 1	Pending

COURTESY OF YOUR PROFESSIONAL PARTS PEOPLE AT O'REILLY AUTO PARTS®

Veriscan is a free service offered by O'Reilly Auto Parts to our customers in coordination with a third-party solutions provider. The information contained in this report is not intended to replace regular automotive maintenance or advice by a qualified automotive technician. Always seek the advice of your mechanic, or another ASE-certified automobile technician prior to attempting any repairs yourself. Based on the Diagnostic Trouble Codes ("DTCs") retrieved, a most-likely solution is shown which was generated by a third-party solutions provider. In addition, Suggested Parts are shown which may address any of these DTCs. There is no customer purchase obligation for such Suggested Parts, and O'Reilly Auto Parts does not warrant the solution as it is derived from a third-party solutions provider. Neither O'Reilly or any of its subsidiaries or affiliates assume any liability for the completeness or correctness of the report or its content. O'Reilly Auto Parts reserves the right to use the data collected from your vehicle and the corresponding report for its business purposes and those of its data solutions providers, respective affiliates, and subsidiary business purposes. See how we protect and use your data at oreillyauto.com/privacy. To exercise any data privacy rights regarding your VIN, please visit innova.com/pages/privacy-policy. The Scheduled Maintenance provided is a general estimate based on similar vehicles and the mileage indicated on the report. Always verify the actual mileage on the vehicle to ensure the scheduled maintenance shown is appropriate.
